LAST ON THE GRID, EVERY WEEK

David Coulthard

COULTHARD!

The BBC race pundit looks at the new season

Last season's F1 Driver's Championship was decided by the thinnest of thin margins, and it looks like this year's will be as close! So, because all we know is that the cars go "vroom", we asked David Coulthard to tell us how the season is likely to unfold and which drivers to watch out for. Gentlemen, start your engines!

FELIPE MASSA

"Felipe's a very good, quick driver. What he needs to do this year is regain the form that saw him have success. He's a top-quality driver!"

THIRD ROW!

JENSON BUTTON

"Jenson and Lewis tend to win different types of races, which is great for the team. You don't want too much resting on the shoulders of one man!"

SECOND ROW!

MARK WEBBER

"There's been talk of Webber and Vettel not getting along, but it doesn't matter. A good team is united with the aim of winning championships!"

d's F1 preview!

FERNANDO ALONSO

"I'm a big fan of Alonso. He gets painted as 'the baddie' in Britain, but I respect the fact he left McLaren because it just wasn't working out."

LEWIS HAMILTON

"Hamilton's a class driver and McLaren are a top team. They design and build winning cars, so he's got to be seen as one of the contenders this year."

DC's verdict

"It's impossible to predict what's going to happen, as we haven't any idea what the cars will be like. But, since you've forced me, the best I can do is this. You can pick any from the two side-by-side, all the way down. The only thing I can be sure of is this is going to be a great year of racing!"

SEBASTIEN VETTEL

"Vettel can definitely reclaim his title. If he can withstand the enormous pressure that will be placed on him as the champion, he has the ability!"

SOAP CUTIES!

"Look, my hand
can fly!"

Adele & Roxanne's getaway!

Emmerdale
- without the
boring bits!

Every so often, soap opera producers throw out an "away day" special, where they send their sour-faced cast to Southend or somewhere rubbish. If only they took a leaf out of Adele Silva and Roxanne Pallett's book – the pair staged their own *Emmerdale* reunion by a Dubai hotel pool! It's got the lot – bikinis, lotion to rub in and a pool. Now that's a storyline!

WORDS: RORY BUCKERIDGE PHOTOS:

Gears Of War 3: first play!

NUTS MAN!

We played the year's big game – so can you!

Massively annoyingly, *Gears Of War 3* isn't out until September (Nuts: "Boo!"). But last week, developer Epic invited us down to a swish London hotel to get hands-on with the multiplay (Nuts: "Yay!"). This'll be available as a beta on 25 April to anyone who pre-orders the game (general public: "Yay!"). News is, it's ace! Here's why...

NEW MAPS!

You'll be monstering through Stadium (a trashball arena), Checkout (an old supermarket – pictured), Old Town (a fishing village) and Trenches (which has – duh! – loads of trenches).

NEW WEAPONS – CLOSE-UP!

Expect a wondrous arsenal of all-new weapons, including a hugely powerful sawn-off, double-barrelled shotgun and the "Retro Lancer", featuring an awesome bayonet charge!

Five ways to win at Gears Of War 3!

Words of wisdom from producer Rod Fergusson

USE TAC-COM

"Number one tip – use the left bumper to find your team-mates and where weapons are on the map. Knowing where you need to go strategically is key. Tac-com is your friend!"

STICK TOGETHER

"Five individuals running around will get killed quickly. Sticking together as a team means that if you run into their team's lone wolf, it's two-on-one, and two guns firing are always better than one gun firing, right? Plus, you can revive each other."

LOVE YOUR SHOTGUN

"As a new player, you should get familiar with the sawn-off shotgun, and by get familiar I mean learn its range. As long as someone's standing close, you don't really have to aim to take them down."

SELF REVIVE

"If you've been downed, mash the "A" button and you'll get up quicker. The fact that you can self-revive means you can take more risks because you don't have to rely on your team to revive you."

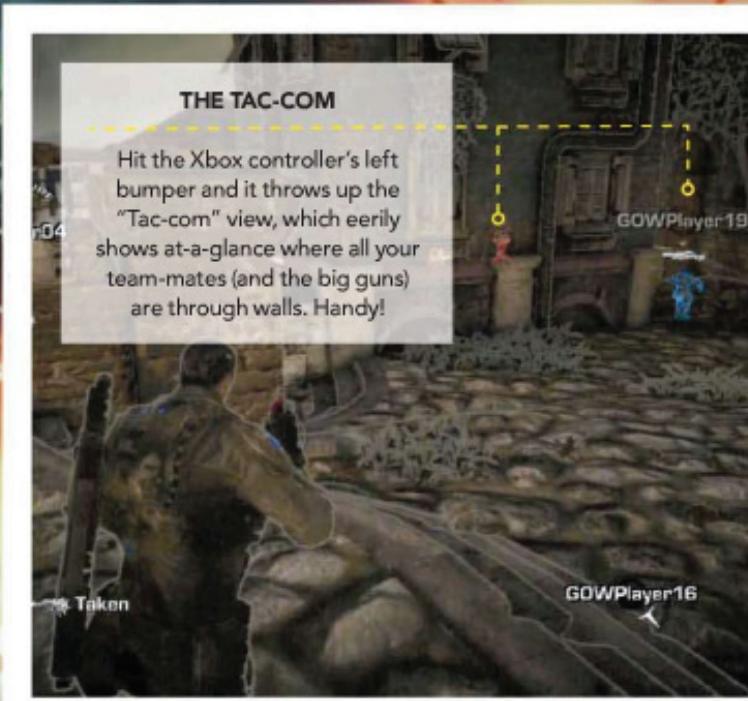

BE AGGRESSIVE

"Gears has always been about the battle for the power weapons. It's a much harder fight when you don't get to them first. If you saunter out at the start, or immediately entrench, it's not going to work out."

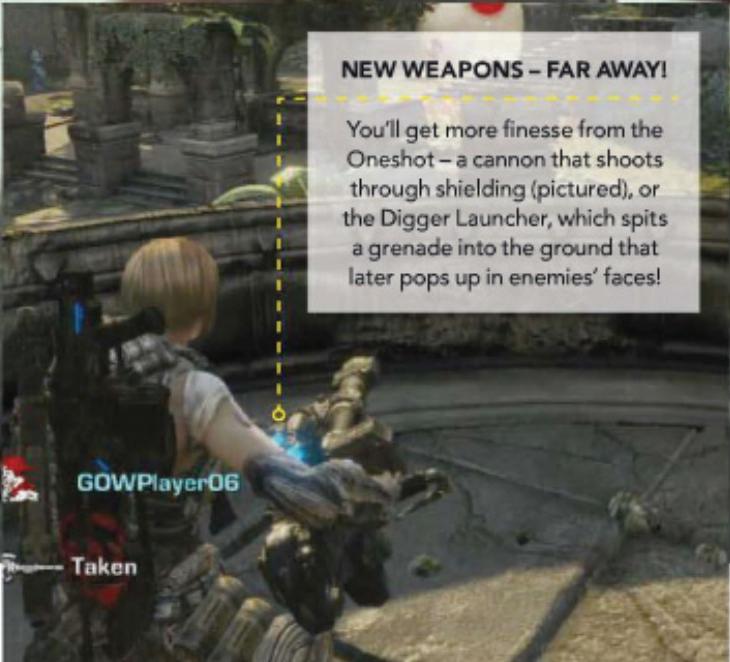

LOAD-OUTS

Now you can select weapon load-outs after you've been killed. Usually this is a Lancer/Hammerburst/Gnasher choice (that's machine gun/rifle/shotgun, obviously).

THE TAC-COM

Hit the Xbox controller's left bumper and it throws up the "Tac-com" view, which eerily shows at-a-glance where all your team-mates (and the big guns) are through walls. Handy!

NEW WEAPONS – FAR AWAY!

You'll get more finesse from the Oneshot – a cannon that shoots through shielding (pictured), or the Digger Launcher, which spits a grenade into the ground that later pops up in enemies' faces!

Protest, Chinese

Man's Lambo breaks, so he publicly executes it!

WORDS: RORY BUCKINGHAM PHOTOS: GETTY

The British are famously terrible at complaining, so we could take some advice from Han Nan – a Chinese businessman who took a consumer protest to Defcon 1. When his less-than-six-month-old Lambo Gallardo

failed to start, the chap from Qingdao became so incensed with the poor service from his local Lambo dealer, he got workers to publicly destroy the car. With hammers! The very definition of cutting off your nose to spite your face.

Next time, just call us, Han – we'll gladly swap our Honda Civic for a shiny Lambo. And we love our Honda Civic!

Kammy's Champions League predictions!

Nuts' chief pundit's views on the quarter-final match-ups!

KAMMY!

CHELSEA VS MAN UNITED

"This is the hardest of the ties to call, without a doubt. The recent Chelsea win at Stamford Bridge shows just how in the balance things are with these two teams. Again, I think the

fact that the second-leg is at Old Trafford tips it in Sir Alex Ferguson's favour, but these will be tight, tense matches."

KAMMY'S VERDICT:

Man United 2 Chelsea 1 (agg)
Man United to reach the final

"Finally! My 15th hat-trick of an otherwise mediocre season!"

MAGIC MESSI!

BARCELONA VS SHAKHTAR

"In my opinion, this Barcelona team are the greatest side of their generation, and there isn't another outfit that can touch them right now. Messi, Xavi and Iniesta sweep all before them,

and although they drew with Shakhtar in the group stages, they'll continue their march to the final at Wembley with ease."

KAMMY'S VERDICT:

Barcelona 4 Shakhtar 0 (agg)
Barcelona to reach the final

"Argh! I've applied too much Deep Heat! Again!"

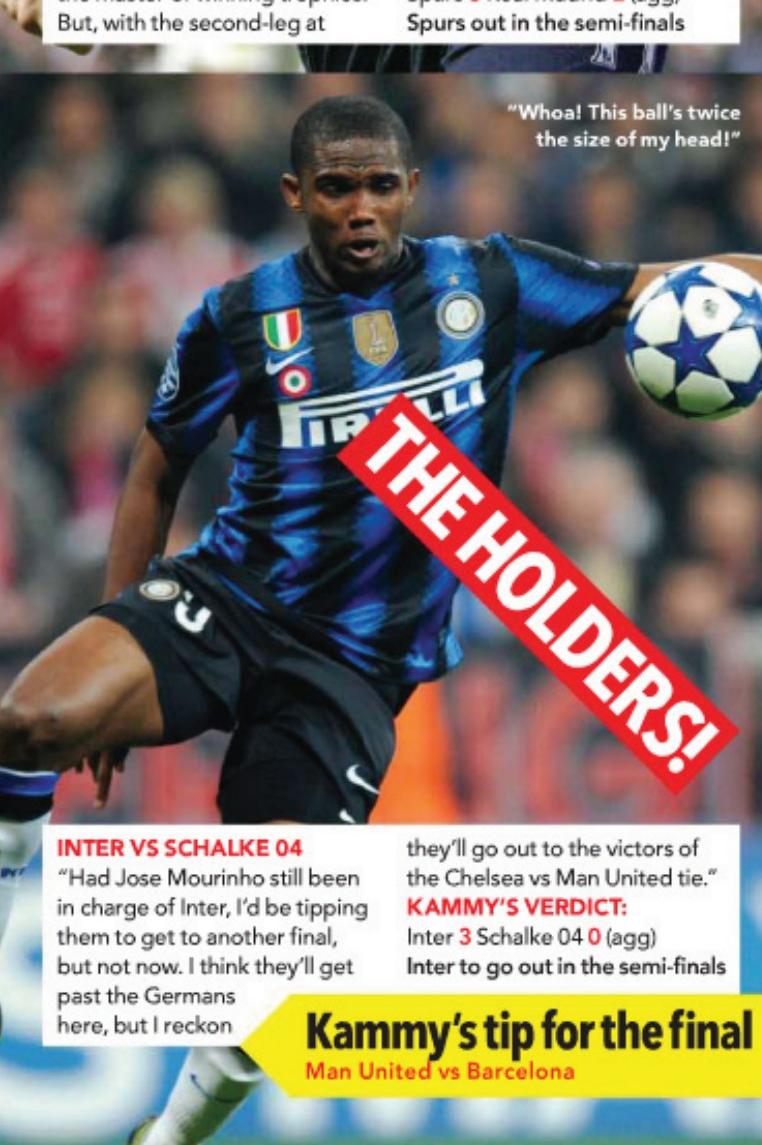

REAL MADRID VS SPURS

"What an amazing couple of games these could be! My heart says Spurs will do it, but my head says Jose Mourinho's the master of winning trophies. But, with the second-leg at

White Hart Lane, and Rafael van der Vaart out to prove a point to his old club, I'm backing Spurs to go through – just!"

KAMMY'S VERDICT:

Spurs 3 Real Madrid 2 (agg)
Spurs out in the semi-finals

"Whoa! This ball's twice the size of my head!"

INTER VS SCHALKE 04

"Had Jose Mourinho still been in charge of Inter, I'd be tipping them to get to another final, but not now. I think they'll get past the Germans here, but I reckon

they'll go out to the victors of the Chelsea vs Man United tie."

KAMMY'S VERDICT:

Inter 3 Schalke 04 0 (agg)
Inter to go out in the semi-finals

Kammy's tip for the final

Man United vs Barcelona

"That Galactico at Irl has gone
Captain Crikey! Pardon me
for tea tonight, too!"

Don't Look! (Eagle version)

It's not a satnav. It's a bald eagle!

This grumpy-looking chap, looking for all the world like an inverse hood ornament, is actually a juvenile bald eagle from Bear Lake, Idaho.

And it's one lucky blighter, having conspired to meet a passing truck travelling at over 60mph and taking him – beak first – clean through the

lorry's windscreens. But "Wiegle" (short for "window eagle") as his docs have, rather meanly, named him, defied the odds and, after a month of rehabilitation, lived to fly another day.

And now the truck has a new windscreen and an eagle outline – crossed through – on the door.

Warning: highly likely to cause offence!

"You're meant to drink until you vomit. It's not a game!"

Meat Bree

Bree Olson, one of Charlie Sheen's woman goddesses, has been named the person of the month by the organisation PETA (People for the Ethical Treatment of Animals) on account of her having a vegan diet. Now, my understanding of a vegan is that they're not allowed to consume any animal products. Thing is, I've watched a lot of Bree's porn flicks in my time and I definitely saw animal product in her mouth... and on her face, and in her hair. She's clearly not that strict about her diet when she's working!

Game boozers

I see students at Manchester University are playing a drinking game where they have to drink enough to either get hospitalised or vomit. What the f**k is wrong with them? It's so juvenile! I mean calling it a f**king game! As an Australian, I've always understood it as an unwritten rule that you're meant to drink until you vomit, get laid or are hospitalised! Me and my mates never labelled it a game, we just knew it had to be done!

The drugs do work

Stephen Fry has said that he used to like taking coke and doing

crosswords. For 15 f**king years! I've taken cocaine, so I can imagine what those crosswords must have looked like. Hey, the words wouldn't have fitted but Stephen wouldn't have cared! He'd have just gone "These crosswords don't know sh*t! I'm the f**kin' genius!" He also claims to suffer from manic depression and that coke was a wonderful drug for calming him down! So, there you are, kids. Coke. Wonderful drug. Clearly no side-effects whatsoever!

Wii love it

There's a kinky new Wii game called We Dare that's apparently attracting a lot of attention from the "swinger community". I've played it in the US and it's a wonderful game – you wave the Wiimote

around to sexy tunes, with a little bit of slapping and touching thrown in for fun. There's nothing too major in there until you get to the last level, when things get a little bit heated. In fact, you may want to get your controller insured, 'cos it's unlikely to escape without serious moisture damage!

Burger off!

Apparently, the boss of Burger King, who's Brazilian, has said that British women are ugly and British food is the worst in the world. Now, firstly, as a person who's gone up and down the motorways of the UK many times, I have to say that the worst food in the world is – drum roll – Burger King. When it comes to tastiness, it doesn't come close to McDonald's, KFC, or even Wimpy. Also, I'll not hear it that British women are unattractive.

I've had anal sex with more British chicks than I can count but I've never done it with a Brazilian. I've tried but their butts are so big, I can never get my c*ck close to the good stuff!

"This is the only side I show!"

187mph Brit supercar!

Gents, meet the £200k GT car that's made in Coventry!

- If you thought Spyker was one of those wacko car companies based out in Europe, then you'd have been correct. Until a few weeks ago, Spyker, which makes cars inspired by old aeroplanes, was established by Dutch entrepreneur Victor Muller, who recently bought Saab and saved it from the knacker's yard.
- So a few weeks ago, Victor reluctantly put Spyker up for sale and the exotic motor company was sold to British company Coventry Prototype Panels (CPP). The car you're

staring at here will not only start production this summer, but will be built in Coventry!

- Arriving over a year later than expected (due to the sale of the company), the aluminium C8 Aileron is the latest aviation-inspired GT car, with numerous design details – like the turbine-style air intakes – harking back to early jets.
- Featuring a mid-mounted 4.2-litre V8 borrowed from Audi, the rear-wheel drive C8 Aileron will crack 62mph in 4.5 seconds, and hits 187mph. This isn't a supercar,

it's a 190mph Grand Tourer made from the finest-quality machined, polished aluminium Spyker can lay its hands on.

- Spyker interiors are among the best in the business. Tons of machine swirl-turned aircraft-grade alloy, custom-made air vents, switchgear and the visible gearshift linkage make the C8's cockpit unforgettable.
- Compared to the previous C8, the new car is 150mm longer in the wheelbase but stiffer, with a wider front track. It also uses the Lotus Evora's forged wishbones and dampers.
- If you're in any doubt of CPP's talents, these are the same guys responsible for building Aston Martin's rip-snorting One-77. A bunch of amateurs they ain't!
- After reading this, you're probably rummaging through your wallet and preparing to place an order. Before you do, remember – the £195,000 C8 Aileron's optional extras include a Spyker Louis Vuitton four-piece luggage set, a Louis Vuitton toolkit, a Spyker platinum watch, visible body rivets and "whisper mode" switchable exhaust.

WORDS: RORY BUCKRIDGE PHOTOS: REUTERS, ALAMY

You'd think that Russian soldiers would have better things to do than start a beef with what is essentially a big – and silent – pile of rock. But this chap is busily shelling the stuffing out of a

mountain on the Transcaucasian Highway, about 70 miles from the city of Vladikavkaz.

Avalanches are a problem there, see, and as it's the only road through the area, it has to stay clear. Hence, probably the

work experience chap here, loading up artillery and attacking a mountain.

It's a target even the French couldn't miss. (Although they'd probably pop a few caps then immediately surrender).

Tiger whoops!

Tiger Woods is on the golf course one day having a terrible round. When he finally sinks the ball at the 18th hole, he's met by a policeman.

"Excuse me, Mr Woods, did you tee off on the 16th about 20 minutes ago?" asks the officer.

"Yes," replies Woods. "What's the problem?"

"Your ball smashed through the windscreen of a passing car, killing the driver," says the cop.

"Oh no! What should I do?" replies Woods.

"I suggest you bend your knees and tighten your grip next time," replies the policeman.

Two birds, one cage!

A man buys a kestrel and puts it in the same cage as

his budgie. The budgie says, "I wouldn't put him in here, I'll kill him."

The next day, the bloke comes downstairs and the budgie has indeed killed the kestrel, so he goes and buys a buzzard.

The budgie says, "I wouldn't put him in here either, I'll kill him."

Sure enough, the next day the man sees the buzzard has been killed.

So, the man goes out and buys an eagle and puts him in the cage with the budgie.

"I wouldn't put him in here," says the budgie, "I'll kill him!"

True to form, the next day, the man comes downstairs and the eagle is dead but the budgie has no feathers left.

The budgie says, "That was tough, I had to take my jacket off that time!"

Bell end!

An armless bloke is looking for a job when he notices the church is looking for a bell-ringer.

The man applies for the job and pleads with the priest to give him a go even though he has no arms, saying he can use his head instead.

He gets a trial and, sure enough, the armless chap bangs his head into the bell, making an almighty noise. At that, the priest gives him the job.

One day, the armless bloke is late for work, so he rushes up the tower, but as he goes to bang the bell, he misses it and falls to his death.

A crowd gathers and a man asks the priest if he

Strip roulette!

A woman goes into a casino and decides to have a bet on the roulette table. Unfortunately, she doesn't win, so she leaves before she loses any more money.

The next day, the woman goes back to the casino and has another bet on the roulette table, but loses again.

The following day, she goes back to the casino and plays roulette yet again. However, this time she takes all her clothes off, puts a bet on and shouts, "I won! I won!"

She hugs each of the dealers and kisses them on the cheek, then takes her money, and leaves.

One dealer turns to the other and says, "What number did it land on?"

"I don't know, I thought you were watching!" replies the other.

IN OUR OFFICE!

My girl needs a drink to do it!

My girlfriend's amazing in the sack when she's tipsy but shy and prudish when she isn't. How can I make her ooze that confidence all the time?

Mike, Durham

If a girl's more open when she's tipsy, it's often because she's letting her guard down. You need to compliment her more, buy her some new underwear, and spend time building her confidence. That should loosen her up a bit without a drink.

Nuts BABES' SEX TIPS!

No.40: "Vibrating love eggs are a real turn-on. Get the ones with a remote control and you can even get frisky in public!" **Porchia**

Are my bits too dangly?

I'm 21 and I've got saggy testicles. I wasn't bothered until I was with a girl recently and she commented on them. Are girls repulsed by that sort of thing?

Simon, Nottingham

No! Everyone comes in different shapes and sizes. Girls look very different from one another down below, too. I've never seen anything where I've been like "No way!" I'm sure it's not that bad but if you're really worried, maybe you should see a GP.

Is it weird to make a noise?

I'm so vocal when I orgasm, it's embarrassing. One girl recently told me to shut up! Would all girls find it off-putting?

Johnny, Kingston

Absolutely not! I prefer it when a man makes a bit of noise. If he's too quiet, you just feel like you're sh*ggng a corpse. Grunts of pleasure and dirty talk – that sort of thing is hot!

I can't get her out of my head!

Every time I have sex with my new girl, I think of my ex. I'm over her, so what does it mean?

Ryan, Wigan

It just takes time before your new girlfriend will be the image in your head. Encourage her to send you some dirty pictures – that'll imprint her in your mind!

NUTS INTERVIEW

Despite his best efforts, he just couldn't unblock the toilet

Hi Bear! What have you been up to? I've been helping the Soldiers' Charity, which is all about supporting soldiers for life. We're launching the Soldier Challenge, which is a series of urban challenges. Nuts readers can get involved by taking on a four-hour urban adventure in London next Saturday (26 March)! Sounds energetic. What have you got coming up on TV for those of us who might prefer to lend our support from our armchairs? We've just finished season six of *Born Survivor*. We filmed one episode in the Outer Hebrides. I had to swim from the Outer to the Inner Hebrides and I found this old rotting seal. I thought, "I can't eat this, but I can skin it and climb inside it." So I did! I had my arms through the flipper hole, my head through the neck and wore it like a coat, which kept me super-warm for the rest of the swim.

Yuck! Ricky Gervais says you'd tuck into a tramp's testicles if Tesco was shut.

True? If Tesco was closed long enough, he's probably right. It's all about whatever you need to do to stay alive.

What's the most disgusting thing you've eaten recently?

It's always such a blur of bad things. Probably bear poo.

Was it your own poo?

No – a different sort of bear.

What's the best way to serve bear poo? Wash off the poo and eat the undigested bits of fruit. It's not very pleasant, but it could save your life!

Ray Mears still doesn't seem to like you very much. Why not? He's a great hero and he does an amazing job. I don't know why he's always so vehement. I get it in every country where my show goes

out, with whoever's the local version of me. I've learnt to always give the local version of me the credit.

How would you have survived in the Chilean mine?

Stick together, improvise and keep your hope together.

Survival is all about spirit.

Last time we met we chatted survival techniques, so here are some more. You come back from the woods to find one of the three bears asleep in your bed. What do you do?

Choose your battles and leave them sleeping! I've had quite a few encounters with bears and I've learnt a healthy respect for them.

The Big Bad Wolf is outside your house trying to huff and puff and blow your house down. What do you do? Get behind something solid. Or run! Which environment? Good question. Find yourself a tree and get up it!

You go to visit your granny but when you get there, she's a wolf wrapped in a scarf. What do you do?

Ha! I've been outwitted by a lot of animals but never any dressed as humans. I've almost copped it with sharks, alligators and snakes but we're up on the tally, really. Man's winning – just!

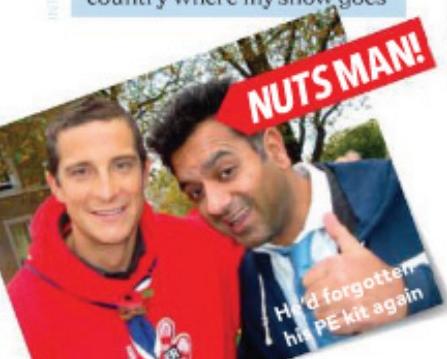

You recently went to tea with the Queen. Did she serve bear poo to make you feel at home? Er, no! It was a huge honour. She's amazing. I sat next to her and it was one of the greatest privileges.

Who would you invite to your fantasy dinner party?

I've got a bit of a man-crush on Roger Federer – he's kind of a hero of mine. I'm a big tennis fan. I met Andre Agassi the other day and he invited me to supper with Steffi Graf. They can come.

Can Ray Mears come? Ray can come along but he has to take the coats and serve the drinks. Ha-ha! ■

"Bommer" Grahame had to make his decisions from the heart of the battlefield

'WE WERE SURPRISED SO I CALLED IN'

SGT GRAHAME

Sgt Paul Grahame on a very brave call!

During his 180-day tour embedded with B Company, 2 Mercian Battle Group in Afghanistan, Sgt Paul "Bommer" Grahame saw combat almost every day. He's one of the British Army's most deadly elite Joint Terminal Attack Controllers (JTAC) – the only men with the power to call in a blanket air strike – and as such, was routinely called on to destroy

the enemy. With the power under his control, however, Bommer needed to know where to strike, which meant operating from the very heart of the battlefield. This is why, one day in 2009, he found himself in a ditch with rocket-propelled grenades (RPGs) raining down around him.

ENEMY ATTACK

"We'd moved into the bush at 0500," explains Bommer. "We were into alien territory and as the sun rose, we'd lost the cover of darkness. Our final, covert objective was no more than 200 metres further on and we pressed ahead in silence, conscious of the fact the enemy were surely close."

Suddenly, a long burst of gunfire tore apart the silence. It was the screaming rattle of a Taliban AK47, and it was answered an instant later by a British Army issue SA80. Within seconds, RPGs smashed into the bush, as all hell broke loose. "I dived for a ditch," explains Bommer, "and tried to work out where the enemy were firing from.

"Then, an all-stations call went out on the company net – 'Man down! Arsenic Two Zero, man down!'

"Arsenic Two Zero was the call sign of 2 Patrol, on point. We'd been ambushed at close quarters and the boys up front were getting smashed. I got that horrible, sickening feeling of knowing we had

a man somewhere in the bush, injured or dying."

The JTAC radioed a nearby F15 pilot and instructed him to carry out a flyby to get the enemy's location. The jet screamed overhead, and seconds later, the pilot's diagnosis came crackling over the radio.

"Visual muzzle flashes all around your lead platoon," he said. "Enemy has your lead friendlies surrounded. They're maybe ten or 20 metres from your guys!"

PINNED DOWN

At ten metres, it was way too close to call in an air strike, so the officer commanding (OC) ordered Bommer and the

Air support can be called in by a Joint Terminal Attack Controller

OUNDED... AN AIRSTRIKE!

platoon to fix bayonets and mount an assault. "We charged ahead for 15 metres as the section to our front put down a wall of fire on to the bush either side," Bommer recalls. "We piled into a ditch full of God knows what and crawled along on hands and knees, as the rounds tore across above our heads. For 50 metres, we fought to get closer to our casualty."

RPGs slammed down all around the platoon, and rounds shredded the leaves and branches around them.

'It was raining chunks of red-hot shrapnel!'

They were in the fight of their lives, and two more men went down injured before the enemy suddenly ceased fire.

Frantically, Bommer called for another overhead status report from the F15 pilot. The news, when it came, wasn't good. "I'm visual with large numbers of PAX [personnel] moving through tree lines," he reported. "All armed. Your forward platoon's totally surrounded. They're f***ked."

"We were in the sh*t. We had no idea how serious the three injured lads were."

LAST RESORT

"I passed the F15 pilots the instructions I never thought I'd hear myself saying as

a JTAC. 'We're in a broken arrow situation. Repeat: I'm calling in a broken arrow!'"

Broken arrow is one of the most desperate measures a JTAC can resort to. It clears jets to do whatever he asks, even dropping fire on their own men to prevent capture. "I want a 20mm strafe to the north, 25 metres from the friendlies," Bommer said.

The jet banked and headed towards the contact point.

"The air was alive with the snarl of rounds," Bommer recalls, "so I tried to burrow deeper into the sh*t ditch!"

From the skies above, it was raining chunks of red-hot shrapnel. An instant later, a series of screams filled the air – the enemy were taking hits.

"BDA [Battle Damage Assessment]: three killed," the pilot confirmed over the radio," Bommer recalls. "We were smashing them back. 'Banking around,' the pilot said – he was coming back for another swoop. 'Engaging!'"

Bommer's tactical nerve, coupled with the pinpoint accuracy of the pilot, meant the enemy was finally wrong-footed, and gave the upper hand back to the brave fighters of 2 Mercian Battle Group in the trenches.

They were by no means clear of danger, but with Bommer's help, they'd live to fight another day. ■

Meet the
world's sexiest
double act!

They say the best things come in pairs. Well, we here at Nuts agree, and we think we're pretty spot on in that observation. If you need any more proof, look no further than these sexy snaps of Lucy Pinder – recently voted Britain's Sexiest Babe in these very pages – and the stunning Rosie Jones, who was runner-up in the very same poll! Not only are us Brits brilliant at winning Oscars, we also produce very hot women. Take it away, ladies! ➤

Hi Lucy and Rosie! Sky Sports haven't properly replaced Andy Gray and Richard Keys yet – do you think you could be the double act they're looking for?

Lucy: Definitely! Sophie Howard and me were bantering on Twitter during the Arsenal vs Barcelona games, so I think me and Jones could do it – but I think we'd swear too much!

Rosie: I don't know anything about football so I'll leave the talking to the experts, then I can just pop in with the unfunny jokes in the background!

So you'd be Richard Keys then?

Rosie: Ha-ha! I guess so. But if that fails, can I just stand naked in the background? Lucy can do the talking and I'll do the nakedness. Unless she wants to get naked as well, of course!

Who's your fave double act?

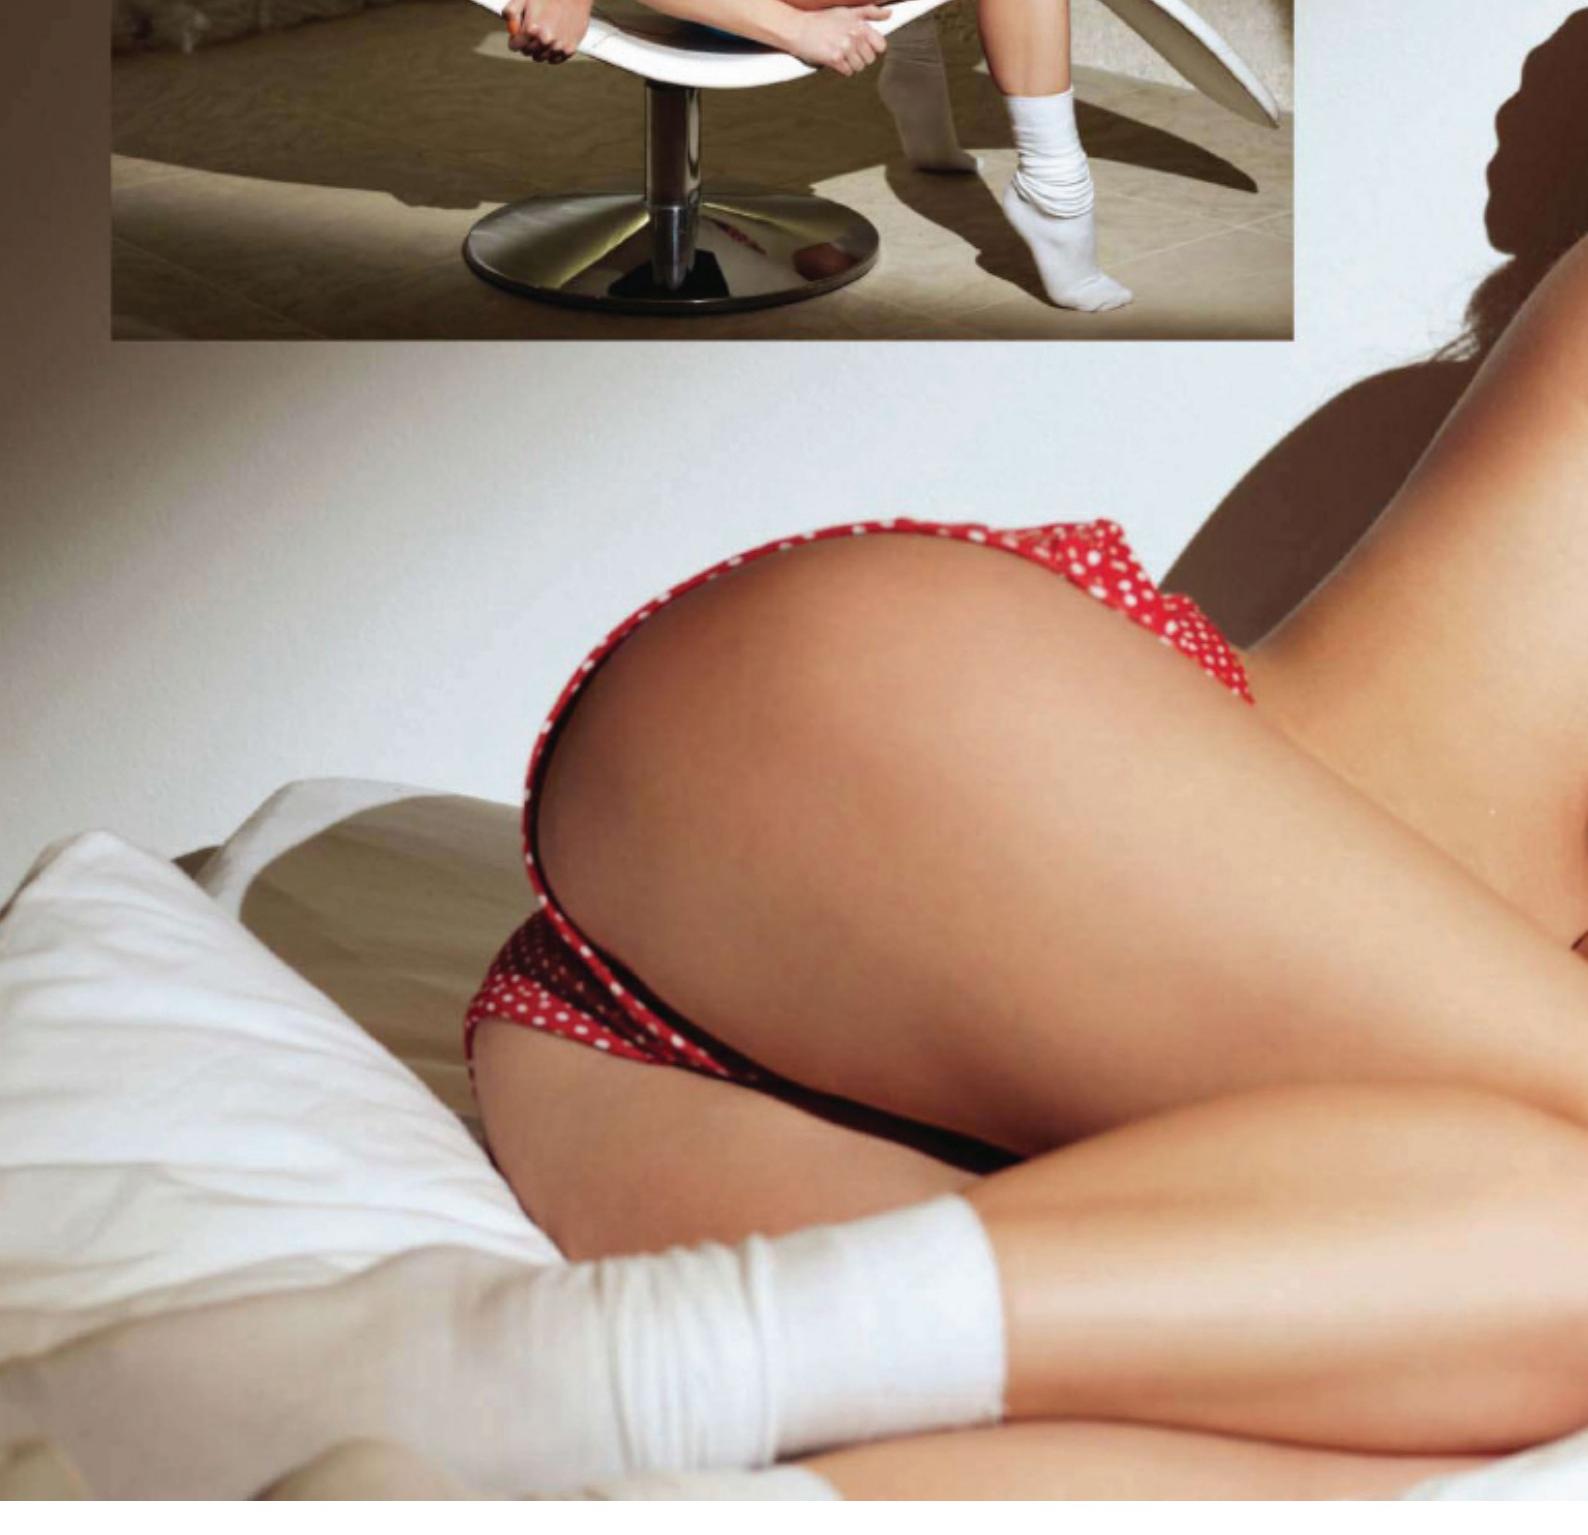

Lucy: I can't think! That's a really hard one. I really couldn't pick a favourite. I'm so indecisive. I used to really like doing photo shoots with Michelle Marsh, but I've got Rosie now!

Rosie: My favourite double acts are all from the old-school Nickelodeon days. Kenan and Kel, and Tia and Tamera ➤

**"Lucy can do the talking and I'll do the nakedness!"
ROSIE**

A photograph of two women in lingerie. One woman is lying on top of the other, both looking towards the camera. The woman on top is wearing a black bra and patterned white, red, and blue briefs. The woman below has her hand on the other's hair. They are positioned against a plain white background.

Nuts Lucy & Rosie

from *Sister Sister*. I like Ant and Dec as well, but most of the great double acts now are all boys, aren't they? Maybe it's time for some girls to take over!

What's your favourite part of each other's body?

Rosie: I have to say Lucy's boobs. They're amazing. They're so big! They're bigger than my head!

Lucy: Rosie has a really great bum! I get bum envy when I see her because mine isn't so nice. I like her boobs, too, obviously, but her bum just looks right. If I was a man, I'd be a bum man!

How well do you two actually know each other?

Rosie: We went to Las Vegas recently and had these amazing suites with a door in the middle. We basically shared bedrooms, so we could watch each other getting dressed! Ha-ha!

Lucy: Yeah, we definitely got to know each other a lot better in Las Vegas! We had a romantic moment with Stacey Massey at the Bellagio fountains as well – I think we fell in love with each other a bit while we were there!

How would you describe each other's boobs?

Lucy: Well, Rosie's are perfect! Nuts readers are spoilt because there are so many girls with amazing boobs in the mag. I like that Rosie's are smaller than mine – they're a perfect handful!

Rosie: I'd describe Lucy's boobs as phenomenal. And whenever we talk about them, I want phenomenal to be written up in lights because that's the only word to describe them!

In the sexiest polls, it's always you two in the top spots. Is there any rivalry between you?

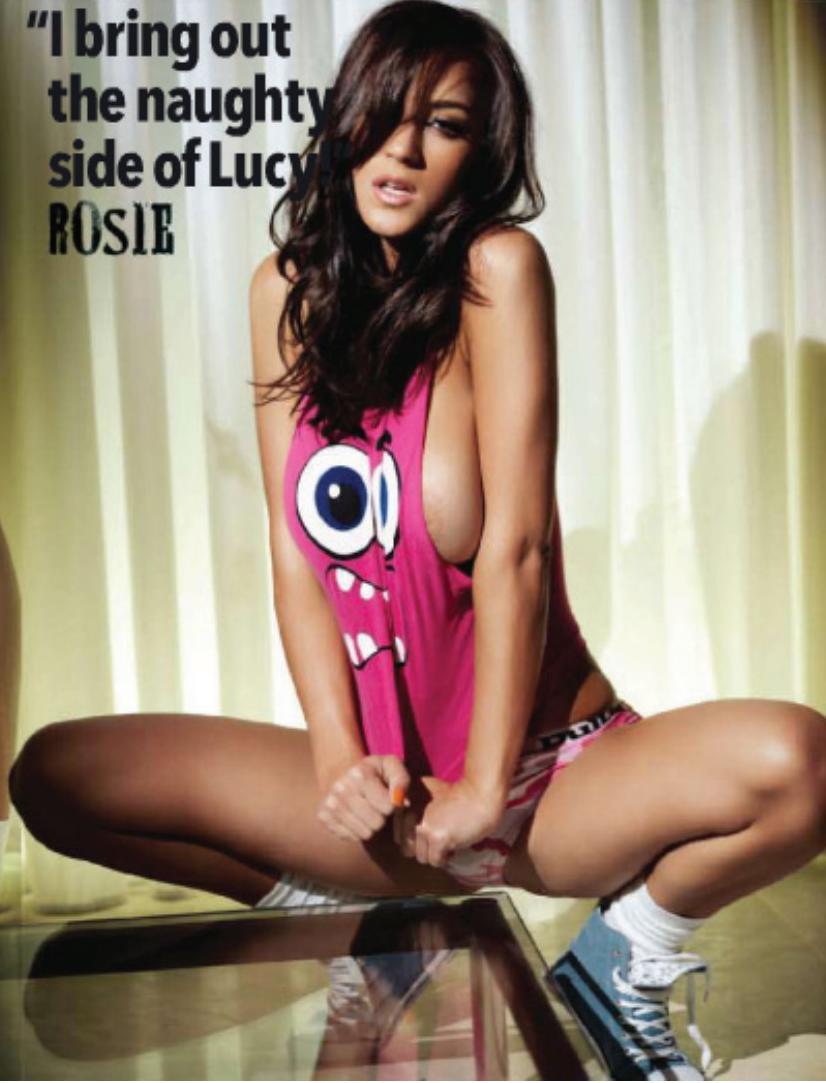

Rosie: To be honest, we don't really talk about it. But maybe from now on, we should decide who gets it through a physical fight. I reckon I could take her!

Lucy: Steady on, Jones! I always have girl crushes on the new girls! There are loads of fit new girls but I reckon there's some mileage in the Jones and me yet!

If you could choose a pair of girls to shoot, who would it be?

Lucy: There are so many to pick from! I think Jones and ➤

**"Rosie and
Danica would
look great
together!"**

LUCY

Danica would make the perfect blonde/brunette mix. Danica's just plain beautiful and Jones ain't so bad herself. I'd like it to be a kind of college dorm-type shoot. That sounds hot!

Rosie: I'd love to do that! I'd like to shoot the two girls from *Black Swan*, Natalie Portman and Mila Kunis, in full-on lesbian mode as well. And I'll take the pictures!

Blimey! Do you prefer shooting alone or with other people?

Lucy: It's probably easier when you just have to worry about yourself, but it's definitely more fun with other girls! I always have trouble staying serious with Rosie because she's too funny, so it's hard to look sexy!

Rosie: I don't like it so much on my own, I prefer laughing with other girls and having fun! It's more intimate if you have just one person to interact with.

What's your favourite boob shot when you're together?

Lucy: I think hands on the boobs can look really awkward! ➔

LUCY & ROSIE

I prefer the nipple-to-nipple effect, although I'm worried that I'd dwarf Rosie if we did that!

Rosie: Don't say that! I wanted to be your hand-bra, now I'm worried I won't be able to! I like the squashed-together boobs look as well. It's pretty raunchy.

If you two were going to be in a movie, what would it be like?

Rosie: Can we make a movie of *Jersey Shore*? We'll do *Rosie And Lucy Take Jersey Shore* and make friends with Snooki. And to make sure we get ratings, we'll all get in the hot tub!

Lucy: Uh-uh, Jones, we're not going to *Jersey Shore*! We'd definitely be superheroes. And we'd kick some ass and have a hot car, like a Lamborghini or something. We'd have tight black outfits, massive hair and some seriously cool weapons!

Who's the funniest out of you?

Lucy: Her! She's more animated than me but I'm more sarcastic. She'd be more slapstick funny while I'd be doing the one-liners. She's Joey to my Chandler!

"I get bum envy when I see Rosie!"
LUCY

Rosie: I don't think I'm funny, so I'll have to say her! You can't say you think you're funny, can you? **And who's the naughtiest?**

Rosie: Definitely me! Lucy's more sensible and I bring out the naughtiness in her, which makes both of us even worse!

Lucy: I'd have to agree. She's a bad influence on me! Ha-ha! **Random one – who'd win a fight between a hippo and a shark?**

Lucy: I'd say a shark because it's faster and it could make the hippo bleed, then all the other sharks would come!

Rosie: I have no idea! I'm going to go with the hippo because they look quite cute but they can be dangerous. Just like me! **Thanks, you two! Finally, if you formed a band together, what would it be like?**

Lucy: I'm going to let Jones field this one, because I reckon it's what she's always wanted.

Rosie: I don't know exactly what we'd play, but Lucy would be the musician and I'd be the dancer. I'd wear nipple tassels and have tambourines and a triangle and dance around like a hippy!

Lucy: See? I told you! ■

Two stars speak to Nuts ahead of Saturday's game!

Bale: "I'm not the best in the world!"

Hi Gareth! According to Fabio Capello, you're the best player in world! How does that feel?

It's great when people say nice things about you but I don't think I'm at that standard! I'm probably getting better as I get older, and I've more confidence in my game. But the best in the world? I don't think so! You've come a long way from being the bloke who had the longest run of games without being on the winning side... Everyone still takes the Mickey about that but at the time, it really didn't affect me. Of course, I wanted to do well straight away but I just had to work hard. When you've had ups and downs, you appreciate what football means to you, so I'm determined to enjoy what's happening now.

How important has Harry Redknapp been for you? No one has a bad word to say about the manager, and there's a reason for that. He's a good man and a people person, so he knows how to get the best out of you. But at the same time, everyone knows he's in charge. I think the job he's done at Spurs is incredible! You've said in an interview that you're "Mr Boring"! What did you mean by that? I don't do extravagant things. I like to spend time with my friends and family, play computer games – stuff like that. I'm not interested in the fame side of things.

But you're richer than most 21-year-olds could ever dream of. What do you spend your cash on? I'm not driven by money. I just like making sure my family are comfortable. All the rest doesn't matter.

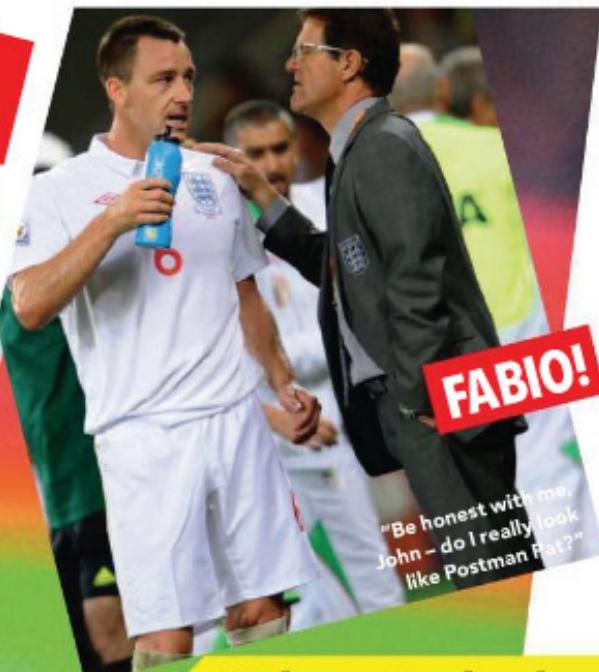

What does matter is Wales' big game against England. How do you see that going? The rivalry between the countries will make it a special occasion. We just have to go out there and play with freedom. We're at the bottom of the table so don't have anything to lose. England are an excellent side but we also have some top players. Hopefully, with a bit of luck, we can cause them a problem or two.

Thanks, Gareth. Finally, are you the new Ryan Giggs? Ryan is a legend and to be mentioned in the same breath as him is an honour. I suppose being Welsh and left-footed makes people draw comparisons, but we're different people and different footballers. I want to be judged on what I do and how I play. So far, that approach is working out pretty well for me.

Lamps: "England future's bright!"

Hi Frank! After the doom and gloom of the World Cup, how are the boys feeling about England's prospects of qualification for the European Championship? Obviously, everyone was very disappointed about what happened in South Africa. We'd gone into the tournament with high hopes but ended up with nothing. The job after that was to pick ourselves up and look forward – and we've done that. **Fabio Capello took some fearful stick about England's failings. Is he still the right man for the job?** Of course. The man's track record speaks for itself and he didn't suddenly become a bad manager over the course of one tournament! It's difficult to put a finger on why we didn't play well, but it wasn't all down to the manager. **You've gone on record as saying Harry Redknapp would make a top England manager. Can you see that happening?** Well, it's not down to me, it's up to the FA but, of course, he'd do a great job. It would be great if we could have an English manager next and Harry's obviously at the top of the list.

Is this England side better than the one that performed so poorly in South Africa? We'll only be able to judge that when we qualify for the European Championship and progress through the tournament. There's a nice blend of youth and experience, with great young quality coming through, and that bodes well for the future. **So much of England's form seems to depend on how well Wayne Rooney is playing. Surely it's not healthy to rely so much on one player?** Wayne's a big presence for us. He's one of the best at what he does in the world, so it's natural he has an impact on the team. But I believe we have quality running throughout the whole team. It's when we have 11 players performing to the best of their ability that we have a chance of achieving what we want. **And is that winning Euro 2012?** I'd never be silly enough to make predictions like that. After the World Cup everyone was pretty devastated, especially as the hype was so incredible. We have high hopes, but it's up to the players to live up to expectations rather than just talking about it.

KAMMY!

ONLY IN
Nuts!

He's the voice of the fans – and he's only in *Nuts*!

"A bogey on
my hand? I
can't see it!"

Stubborn Wenger only has himself to blame!

The last couple of weeks have been fairly disastrous for Arsenal. A home draw against Sunderland was followed by defeat in the Champions League to Barcelona, and then a meek exit from the FA Cup at the hands of Man United.

"He's refused to sign the players Arsenal need!"

Attention has focused on manager Arsene Wenger and his refusal to sign the players everyone knows would improve his team, and this week I've been listening to Arsenal fans who've run out of patience with their manager.

It isn't that they don't admire the quality of Arsenal's football, or the wealth of young talent Wenger has developed, it's quite simply his desire to prove people wrong, and show that his way is the right way.

Well, his way is worryingly close to leaving the club without any trophies for seven years, and it's down to what he failed to do at the start of the season, and in the January window.

Take the goalkeeper situation. He's had to sign 41-year-old Jens Lehmann as a back-up, a man who hasn't played for a year, and all because he wouldn't pay an extra million for Mark Schwarzer in August.

He then compounded the error by failing to sign a quality

centre-back in January – why he didn't pursue Bolton's Gary Cahill, who has shown he has the attributes needed to play at the highest level, is beyond me.

Arsenal may win the Premier League, and if they do I'll be the first to congratulate Wenger. However, if they don't, and the title goes to Old Trafford, then I'm afraid the Frenchman only has his own stubbornness to blame, and I know a lot of Arsenal fans who would be asking some serious questions.

Chris' crystal ball!

Chris predicts the week's big games!

1 WALES VS ENGLAND 26 MARCH, 3PM, SKY SP1/HD

"You'd expect England to win this one, despite a fiery atmosphere in the Millennium Stadium. They'll surely have too much for Gary Speed's side."

KAMMY SAYS: 0-2

2 SERBIA VS N IRELAND 25 MAR, 7.30PM, SKY SP1/HD

"Nigel Worthington's Northern Ireland have had some decent results so far in their Euro 2012 campaign, and I can see them getting another in Belgrade."

KAMMY SAYS: 1-2

3 IRELAND VS MACEDONIA 26 MAR, 7.45PM, SKY SP1/HD

"It was great to see Giovanni Trapattoni say he loves the Republic Of Ireland job, and he has the respect of the players. They'll win this one easily."

KAMMY SAYS: 3-0

Nice one, Rich! I just hope she doesn't put me out of a job!

Man United's Mexican marvel

Wayne Rooney's recent return to form couldn't have come at a better time for Man United as they chase three trophies, and I think a big reason behind it is the impact of "The Little Pea", Javier Hernandez. The Mexican is one of United's best buys in recent years. His movement is incredible, he's a natural finisher, plays with a smile on his face and works hard. He could be the next Michael Owen!

TITLE RACE IS ON!

Who'll win the P

With Sky Sports pundit and all-round legend Paul Merson!

"Stay fit for one whole week, Rio. Just one. Please?"

MAN UNITED

"United haven't really hit top gear but they keep winning! There are two big areas for me – up front and at the back. Hernandez scores for fun and his movement means Rooney has more space to work in. I don't think it's an accident that Rooney is playing better now than at any time this season. The defence worries me, though. I'm not convinced by Wes Brown or Jonny Evans. Smalling's good but he's a baby at this level. I think United will have enough about them to get over the line but Fergie will have to spend big in the summer to freshen things up. After all, Giggs and Scholes can't go on forever!"

KEY MAN: NEJANJA VIDIC

TARGET MAN!

"I'm steering clear of that seagull"

CHELSEA

"I can't work out why Chelsea had that rubbish period because they're still largely the same side that hammered everyone last season! Poor old Carlo Ancelotti looked as if someone had shot his dog! Fortunately, they're looking more like the Chelsea of old. Drogba, Anelka and Torres can't play in the same line-up but having one of them to come off the bench is pretty awesome. And Terry and Luiz look a decent partnership at centre-half. The Blues are too far behind to mount a serious challenge to United but they've got enough in their locker to grab second spot from Arsenal."

KEY MAN: DIDIER DROGBA

Premier League!

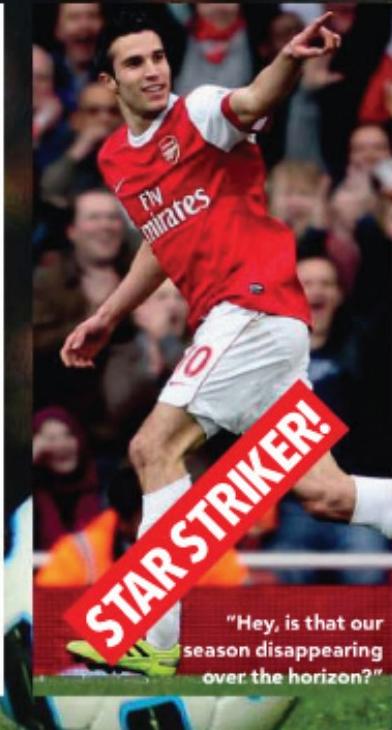

MAN CITY

"For me, City aren't quite there yet. You can have all the money in the world but when you bring in players who are new to the Premier League, it's going to take time for them to settle. Mancini should have signed Drogba – the big fella knows this division inside out. Another thing to look at is the personalities – there are a lot of egos at the club! A big mouth is alright if you're stuffing the opposition every week, but when things ain't going your way, watch out! I'm yet to be convinced City have a united dressing room. You don't have to go round giving each other big sloppy kisses but you do need team spirit!"

KEY MAN: CARLOS TEVEZ

"Help! I've gone blind!"

STAR STRIKER!

"Hey, is that our season disappearing over the horizon?"

ARSENAL

"I'm so disappointed! Every season, it's the same – big promises that come to nothing. Maybe, finally, Arsene Wenger will realise that he needs three things: a decent goalkeeper, centre-halves who defend like they've actually met each other, and an understanding that football is about winning things. The tippy-tappy football is lovely but it's trophies that matter!"

KEY MAN:
ROBIN VAN PERSIE

Verdict!

Anyone who's watched either of the cool *Transformers* movies will have noticed that, apart from Megan Fox, the tastiest things on the screen are the cars, one of which is the ace-looking Chevrolet Camaro.

It looks as though David Beckham's a fan of robot-y films, too, because unlike us, he can just nip down to the shops and buy himself one of said motors!

Becks bagged himself the latest 2011 version and is planning to splash out a few more quid for a new matte black paint job. Sweet!

Nuts Census: you have spoken!

Britain as seen by thousands of *Nuts* readers!

On 27 March this year (next Sunday), the 2011 Census is happening. This is a questionnaire for everyone in England and Wales to fill in so that we can get an idea of what kind of state the nation is in, and all that.

Well, to get you all in the question-answering frame of mind, we organised a mini-census of our own on nuts.co.uk – and you answered in your thousands and thousands! Well done, chaps! Here are some of the patterns that emerged from your responses... Now prepare yourselves for the real deal!

For more info on the 2011 Census, visit nuts.co.uk/census.

West Midlanders seem to be confident parents – 75 per cent of Black Country respondents said they had no worries about their children's future!

The people of **Wales** clearly enjoy their standard of living – they were the only region who felt that they had enough access to the great outdoors!

Only the people of the **West and Southwest** were at all confident of being able to see their GP in an emergency – and even then, it was only 50 per cent of them!

CENSUS REGIONS!

The best place to get ill seems to be the **Northeast** – a whopping 83 per cent of their respondents said they knew where all their 24-hour pharmacies were!

One thing you apparently won't see a lot of in the **Northwest** is lollipop ladies – 75 per cent of all respondents couldn't remember the last time they saw one!

East Midlanders are the only region who use public transport as much as their own cars or bikes – everyone else would rather use private transport!

What is the census?

It's a questionnaire sent to every household in England and Wales every ten years. It gives the government an idea of the state of the nation and helps to plan and deliver vital services.

'QUOTE ME ON THAT!'

This week's biggest match debaters!

"There's nothing in my brain!"

A lame-brained comment from Spurs boss Harry Redknapp.

"I thought the referee had swallowed his whistle. Every time he breathed, he blew!"

But out of which end, Pompey gaffer Steve Cotterill?

"The fish cleaned my feet up by biting all the dead skin off"

Newcastle's Danny Simpson has some fishy habits.

"If we keep winning games, they'll add up the points at the end and tell us where we've finished"

Liverpool manager Kenny Dalglish kindly explains how league tables work.

"You don't want to go out with a wimp"

Paul Merson with some dating advice.

"There's a fox on the pitch. Shame it's not Megan Fox!"

Rugby commentator Jonathan Davies is feeling foxy.

"What I've been saying has whiskers on it!"

Hairy stuff for Forest boss Billy Davies.

"I read an article the other day - it was in a Ladybird book!"

Soccer Saturday's Paul Merson is just a big kid.

"We missed Charlie Adam today, but we didn't miss him"

Blackpool gaffer Ian Holloway misses the point.

"We're not going to talk about the fact we can't mention Liverpool here"

Football Focus host Dan Walker mentions them anyway.

'OO-ER SOUNDS A BIT RUDE' CORNER!

"It was a great pull off"

Blackburn boss Steve Kean enjoys some light relief.

"This team has just come over my shoulder"

Jamie Redknapp heads to the dry-cleaners.

"All strikers should want to go in behind early"

Gordon Strachan with some positional advice.

"As long as the beer bottles hit Paddy Kenny on the head, he'll be fine"

QPR's Neil Warnock on his thick-skulled keeper.

"The belief is that we can do it. We've just got to believe it"

Birmingham's Lee Bowyer can't believe what he's just said.

Deal or No Deal top tips!

Deal or No Deal is a game enjoyed just by those who believe in a "system", right? Well, the TV game show might be, but the multi-line slot isn't!

For as little as 5p a go, you can win big – and if you're willing to play on all lines, you could win a progressive jackpot. In fact, one winner walked off with £1.96m!

And best of all? You can win big money in the comfort of your own home!

HOW TO PLAY

- The aim is to get winning symbol combinations from a spin of the reels, with the ultimate aim being to win the progressive jackpot.
- You can gamble up to 20p on each of the 20 pay lines. That's up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win cash.

THE NUMBER LINES

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

BONUS GAME

If you're betting on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins. This is much like the Deal Or No Deal TV show, only the big progressive jackpot is at stake here. Don't be too greedy or, like us, you could end up with £8 instead of £100!

CONFESION OF THE WEEK!

'We had late-night Jacuzzi fun'

Me and my fella have just got back from an amazing trip to Vegas. The place we stayed in was out of this world – it even had a pool and Jacuzzi on the roof. You weren't allowed to use it after 8pm but one night, after coming back from a club, we sneaked into the tub. We started kissing and my man started kissing my neck and sliding his hand up my inner thigh. I could feel myself getting turned on and my cheeks flushed. I pulled him closer to me and felt his big erection throbbing in my hand. I couldn't wait to get him inside me and knew we had to be quick in case we got caught. As he entered me, I knew I was going to come soon and sure enough, it didn't take long. Which was just as well because a security guard turned up and turfed us out!

Em, by email

'I had to bite his shoulder'

My boyfriend and I were coming back on a train from Sheffield and it was packed. We eventually got a seat and settled

down for a cuddle under my coat, and I took my boyfriend's hand and placed it over my lap. Straight away, he knew what I wanted, so he undid the belt and zip on my jeans. I was getting really turned on at this point.

He then put his hand down my pants and started to play with me. I was so wet and turned on by the thought of us getting caught. He slid his fingers inside me and moved them in and out really slowly. I had to bite his shoulder to try to stop myself from screaming with pleasure. I wanted to come but people walking by put me off, so we're planning to find a quieter train and have another go soon!

Natasha, Croydon

'We had to keep the noise down'

My boyfriend and I were shopping one afternoon at our local supermarket and he pointed to a sexy bra and thong set, telling me how fit I'd look in them. I laughed but my fella's mind had obviously wandered because he grabbed my bum and whispered in my ear that he wanted me right now. I soon abandoned our trolley and we locked ourselves in an empty cubicle in the changing rooms. We kissed passionately and I could feel his bulge growing. He unzipped my jeans and pulled my knickers down before turning me around and entering me from behind. It felt amazing, and knowing other customers could be outside made it all the more exciting. It was hard to keep our moans to a minimum and we both came quite quickly and loudly. After the deed, we zipped up our jeans but to our horror, we could hear people

talking outside. We opened the cubicle door to be greeted by two middle-aged women and an unimpressed shop assistant. We sheepishly walked out and didn't make eye contact with any of them as we tried to hide our smirking faces. Needless to say, we've changed supermarkets!

Kelly, South Wales

'I went down in the cinema'

My boyfriend and I went to the cinema one night with a mate of his and ended up right in the far corner at the back. I found the film really hard to follow, so I moved myself closer to my man and started kissing his neck and squeezing his package under his jeans. I heard his breathing get heavier and he whispered to me to go down on him. I wiggled down between his legs and he hid me under his coat. His mate couldn't believe what was going on but was more interested in the movie than what we were up to. I sucked as quietly as I could and he loved every minute of it!
